Dear Friends,

As we approach the New Year, I am beginning to prepare for another legislative session to commence in Albany. I want to thank you for allowing me to represent our community and fight for issues that are most important to us as a member of the New York State Assembly. Moving forward, I want to urge you all to reach out to my office with issues of importance to you and with ideas that you believe can help to make our community an even better place to live. I am here working for you 24/7 to address any issues or concerns you may have.

Below you will find some events that took place within our community. I look forward to hearing from you all and I want to wish everyone a happy New Year and all the best to you and your family.

Sincerely,

Mike Miller  
Member of Assembly

**\*\*\*\*\*GET INVOLVED IN YOUR COMMUNITY\*\*\*\*\***

We invite you to please share your thoughts with us by answering the following questions:

Currently in NYC, there is a program that helps with graffiti cleanup on buildings. If you know of any graffiti in your area, please be sure to contact our office with the location information and we will share that information with the proper agencies.

1. In your community, how widespread do you think graffiti has become?
2. When it comes to your community, what is your biggest concern?

We ask that you answer these questions via email or feel free to call our office at 718-805-0950.
