Project Woodhaven

To Whom It May Concern:

This is in response to your January 19<sup>th</sup> web form requesting No Parking signage in front of 85-27 91<sup>st</sup> Street.

DOT's Borough Engineering staff has completed an investigation at this location. Our survey revealed that a hydrant exists that can be used to pick up and drop off children safely. Furthermore, motorists must stop when a school bus is loading or unloading children.

Thank you for your interest in this matter.

Sincerely,

A handwritten signature in black ink, appearing to read "Nicole Garcia".
